## Sanctified, Single, and Surrendered Conference

*"Love is patient and kind." 1 Corinthians 13:4a*

SOLW Ministries is holding our 6th Annual

Sanctified, Single, and Surrendered Conference on Sept. 16 and Sept. 17, 2016. This year's theme, "Love is patient", is the answer to not just making a vow of sexual purity now but remaining in the steadfast walk of purity consistently as you live a life of surrender for Him.

The world and the enemy would like us all to be in a hurry for everything! "I can't wait!" is a common saying. But with Christ, we learn that

true love is patient. It does wait because timing is everything in God's plan for us. God's timing for sexual intimacy is marriage.

The conference includes a Friday Night general session at 7:30 PM, with a special keynote speaker, Pastor Beverly Hairston of New Covenant Ministries. This session is open to all.

On Saturday, from 9AM-4 PM for singles only, we will conclude our conference with several encouraging workshops designed to enhance your understanding of and commitment to life long purity. Cost for the workshops is \$30 per person and includes continental Breakfast and lunch.
